PIGEON KEY

An Isle of Education & Recreation

About Us

The Pigeon Key Foundation & Marine Science Center is a 501 (c)-3 non-profit organization whose goal it is to protect the cultural history of the Florida Keys by promoting its healthy future. We host a variety of groups and have daily historical tours. All staff are CPR/first aid certified and we only host **one group on island at a time** giving you a personalized experience.

Island Accommodations

Your troop has the option of camping or staying in our historic buildings. Dorms include bunk-style sleeping arrangements, bedding, full bath facilities, air conditioning and more. Meals are optional. Island is accessible by ferryboat or backpacking 2.2 miles on the bridge.
